

DESIGN RESOURCE GUIDE

FALL, HOLIDAY & EVERYDAY 2015

SUPPLEMENT

IMPORTANT MESSAGE FROM 1-800-FLOWERS®

In an effort to drive additional consumer order volume while supporting the profitability of BloomNet Florists, 1-800Flowers.com has made a number of product introductions along with recipe revisions and retail changes to select Everyday and Seasonal products. Please make every effort to bring your staff up to speed on these changes, which will be effective on new orders starting on the dates indicated below.

In addition, we are introducing a collection of premium Designer Series arrangements that are inspired and created by select designers representing local retail flower shops across the nation that were part of our Design Council and the Local Artisan program. If you would like to receive orders for these truly original premium arrangements **please contact BloomNet Customer Service at 1-800-BloomNet (1-800-256-6663).**

Double the Flowers initiative continues!: In an effort to increase sales and order volume to BloomNet florists, 1800-flowers.com is continuing our marketing campaign offering consumers the opportunity to purchase a large arrangement for the price of a small, while ensuring that the florist will be paid at the appropriate price of the large size. Effectively, 1800-flowers.com will be funding 100% of the cost of this compelling promotion, while driving incremental orders into the florist network.

Please make sure to print a copy of this updated Design Resource Guide supplement and use it to replace any prior versions of these recipes.

If you have any questions, please feel free to contact BloomNet Customer Service at 1-800-BloomNet (1-800-256-6663). Thank you.
